

As of 8/21/08 9:39am, there is a total of \$39,993.40 in show account financial holdings. They are divided into a Show Checking with a current balance of \$13,629.81, and Show savings with a current balance of \$2,796.01 and the Show CD(savings certificate) which has a current balance of \$23,567.58 with a current earning interest rate of 1.19% which is lower than we had previously because we had a longer maturing CD. Next renewal, I will look into better options. Last year the CD earned \$1,736.65 and YTD earnings are \$819.39.

Respectfully Submitted, Heather Swanson, Show Manager
